

Qatar University Doha

The annual roundtable on the Arabic language organized by the **Qatar University Doha** has taken place from **27 to 28 April 2016** in Doha-Qatar.

The main theme of this year has been the Arabic language certification, in particular the comparison between the Common European Framework of Reference for Languages and ACTFL, the certificate system used in the United States.

The ILA Scientific Director, **Jolanda Guardi**, has taken part in the meeting, presenting the first European project of Arabic language certification. The great interest stirred by ILA among the participants has contributed to lay the basis for future collaborations.
