

The CEFR Grid for Speaking

Language Policy Division

www.alte.org

For accountability and transparency reasons, ILA Research Team filled in the CEFR Grid for Speaking. This Grid functions as a self-assessment and check control, in order to verify if the speaking paper of a language text is in line with CEFR levels.

PART 1 – THE SPEAKING TEST AS A WHOLE AND COMPONENT SPEAKING TASKS

A THE SPEAKING TEST AS A WHOLE

1. GENERAL INFORMATION

1	Name of test provider	Centro Studi Ilà®
